*BSID students take one major elective at the 300-level and one major elective at the 400-level with the caveat that if the student elects a theoretical course (3-0-3) at the 300-level, it is incumbent on the BSID student to take a practical course [(1-4-3)(2-2-3)] at the 400-level; conversely, if the student elects a practical course [(1-4-3)(2-2-3)] at the 300-level, it is incumbent on the BSID student to take a theoretical course (3-0-3) at the 400-level.
