Based on the University Council Decision

* **Pass/Fail** means the course will have a 'P' grade or 'F' grade depending on the completion of course requirements. The Pass (P) grade will not change the student CGPA; however, the course credits will be counted as part of the credits passed. The Fail (F) grade will not change the student CGPA and will not change his/her credits passed.

** **Final exam with grade** means the course will be given a 'I' or 'IN' grade and the final exam will be conducted in summer 2019/2020 or First 2020/2021 depending on the corona situation and grade will be given based on the performance. Students who want/need to improve their CGPA can opt for a grade as per AU normal grading system. The grade will be based on a final exam and the coursework assessments
