DEVELOPMENT GOALS

Monday, 29<sup>th</sup> March, 2021  
4.00 PM to 6.00 PM Bahrain Time  
on Microsoft Teams  
*#Stay Safe # Stay Connected*

## INTRODUCTION

---

Higher Education Institutions plays a vital role in creating a visible impact on the society at large by developing quality graduates contributing for sustainable future, research outcomes that allows sustainable growth, devising policies and procedure to promote gender equality and collaboration with industry for innovative solutions.

Universities world-wide aligned their strategies with United Nations Sustainable Development Goals (UNSDGs), the strategies are translated into initiatives that are annually reported to sustain development and growth at national, regional and global level. This event will discuss HEIs UN initiatives and impact measures to assess the status of HEI contribution to UNSDGs.

## TOPICS

---

1. Practices of Universities and commitment towards UNSDGs
2. Impact Measures to assess Universities contributions for UNSDGs
3. Universities Directions and considerations for UNSDGs
