Contact points

10 formal supervision meetings (which are recorded at Brunel on the students' formal University record) are required in each academic year.

Autumn and Spring Schools

The skills training schools held at Ahlia University by Academic and Professional staff from Brunel University. Attendance is compulsory for the research students and the sessions ensure students are fully trained (e.g. in research techniques, literature review skills, methods of statistical analysis and writing skills). 4weeks – 30 Months

Symposium

This annual conference held in Bahrain where students are given the opportunity to present their work in a form of a conference presentation accompanied by an academic article that would later be submitted for publication.

SEC

The students are given the opportunity to voice their concerns and ideas via a committee (Staff Student Liaison Committee) which is dedicated to support the students and cater for their needs.

Formal Progress Points

Annual progress reviews are carried out by academics from both Brunel and Ahlia Universities, who are independent of the supervisory team.
