

YOUR VOICE IS HEARD YOU SAID, WE IMPROVED

Student Satisfaction with AU's ADREG System

You requested to improve students' notifications and Mobile Application.

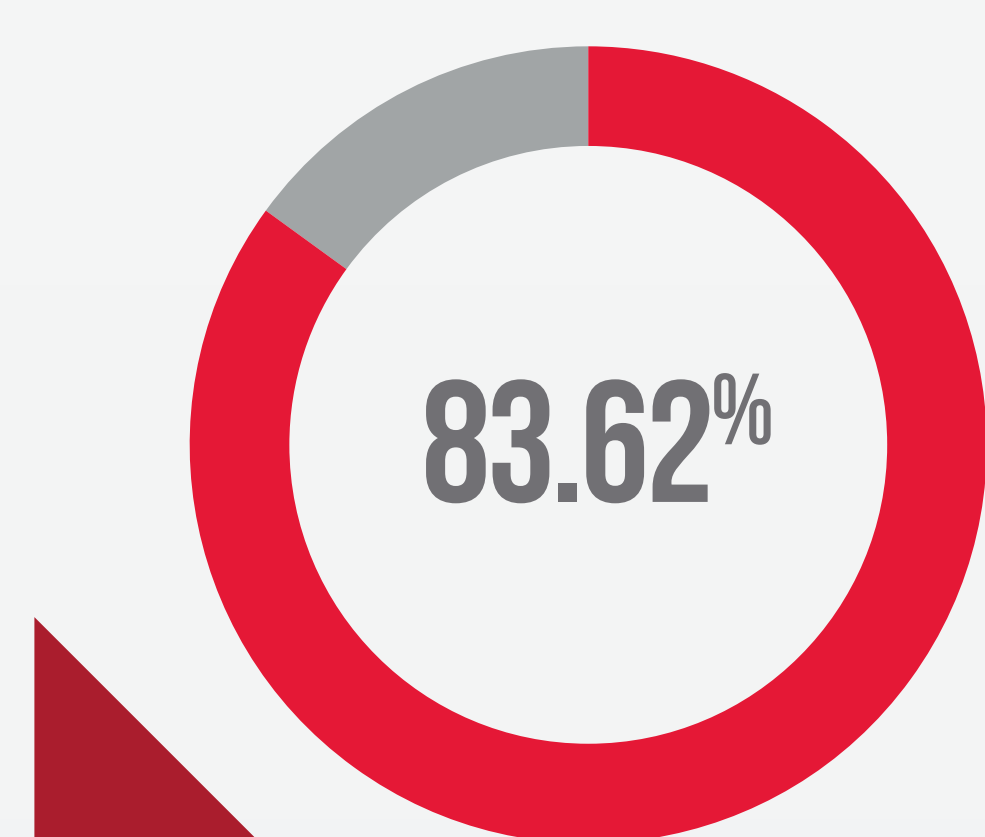

- The ADREG system was improved to include student dashboard with notifications and Mobile App supporting Android and Apple.

Student Satisfaction with AU's website

You have requested to include additional materials on AU's website.

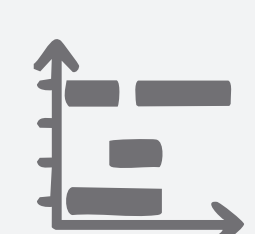

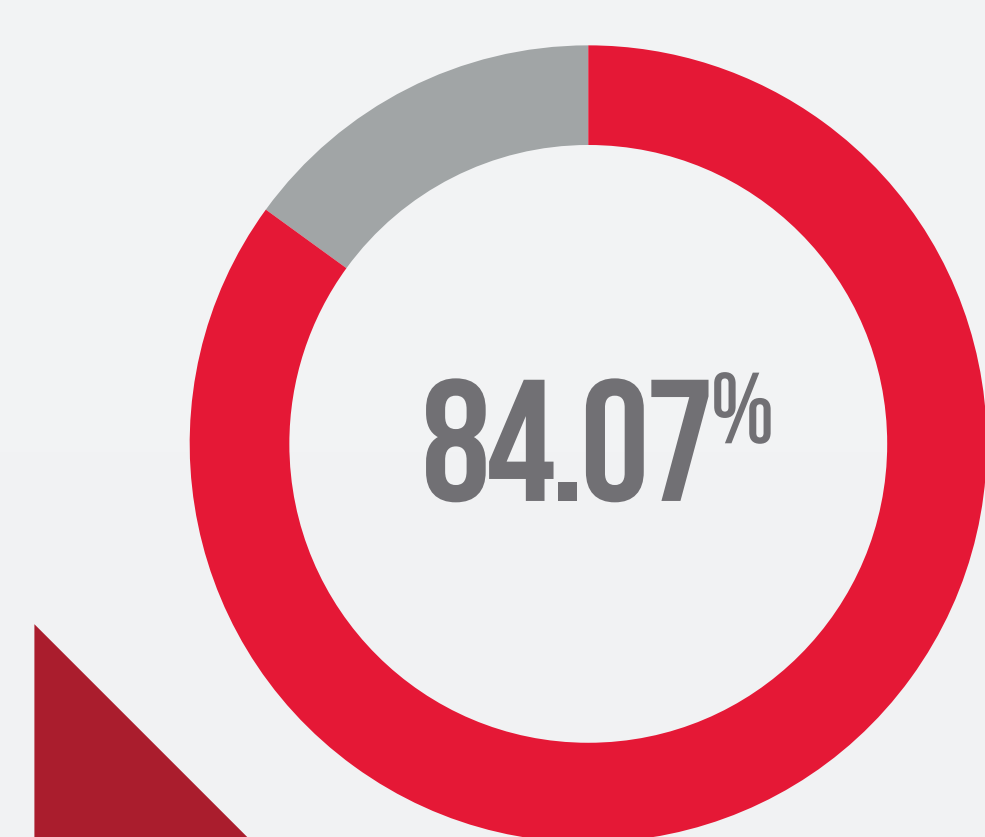

- We have updated the website Programme Pages to include relevant materials to each programme as part of the Fast Facts and Downloadable documents.

Student Satisfaction with ICT

You requested to improve the Wi-Fi across the campus.

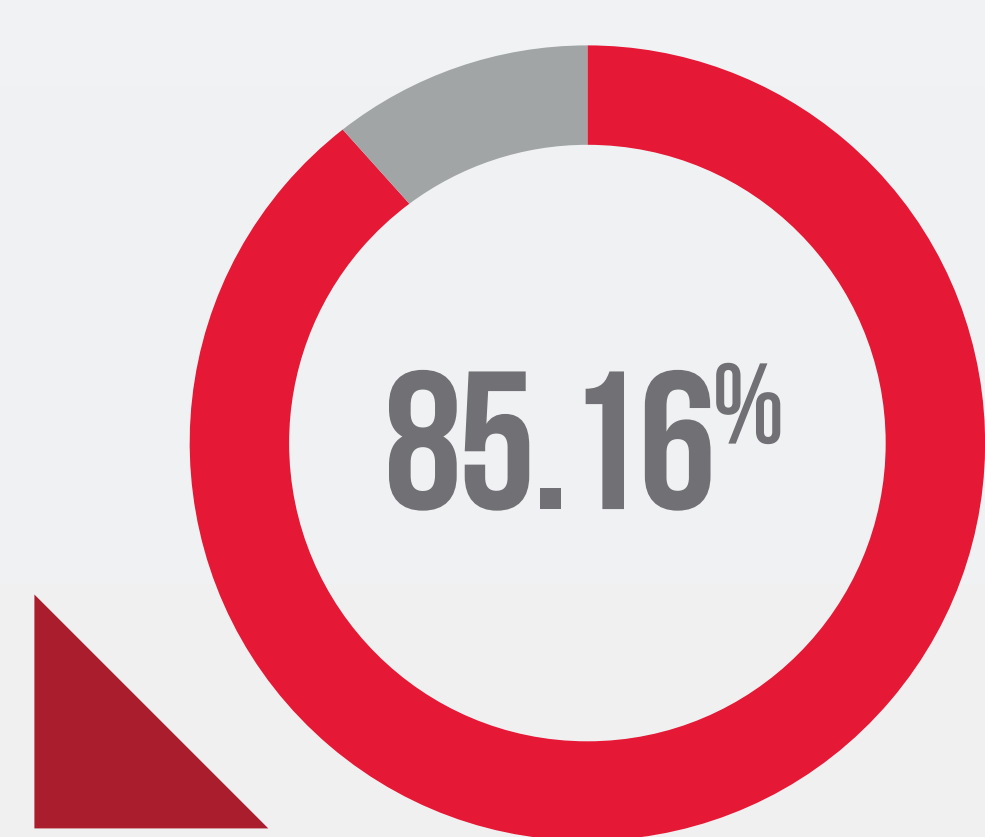

- The Wi-Fi Hubs increased across the campus to provide a higher Speed with limited access to AU staff, students, faculty and guests using MESH technology.

Student Satisfaction with AU's Library Services and Learning Resources

You have requested a booking system for the Library Study Rooms.

- We have developed a booking system in ADREG to support your need.

Student Satisfaction with Support Services

You requested re-designing the theater to be classroom style.

- The theater was upgraded with new chairs and tables to be used as classroom style for some activities.
